GOING DEEPER
APRIL SERMON SERIES

Lent has come and gone, and we have experienced Easter in which we celebrated the glorious resurrection of Jesus. Now what? Well, now we go deeper in our faith. Going deeper means we become even more reliant on the one who we claim as Lord and Savior - Jesus Christ.

Using the metaphor of a tree, we will, over the next few weeks, discuss the opportunity, importance, and the challenge of going deeper in our faith.

During the month of April, we'll explore ideas such as: the stability of having great roots of faith, the significance of being nourished continually in our faith, the value of growing together with others in the faith, and finally the result of having a deep faith-fruitfulness.

As we see the evidence of Spring burst forth this month, may our faith also sprout out in a brand new way.
